Education

2018-2021 **Gargi College, University of Delhi**
B.Sc. (Hons.) Mathematics, CGPA-9.25/10.00.

2020 **Techstack, Saket**
Post Graduate Diploma in Artificial Intelligence

2018 **KIIT World School, Delhi**
Class XII-95%

2016 **KIIT World School, Delhi**
Class X CGPA-10.00/10.00

Skills

Python, SQL, R, git, C++, Mathematica, MS Office, MATLAB, Octave.

Experience

2019 **Data Analytics internship at Takenmind**

Learned to analyse data and drive insights from appropriate managerial facilitations. Also learned to use statistical tools for data processing.

Projects

- **Chatbots**
Created an intelligent piece of software that is capable of communicating and performing actions similar to a human.

- **Handwritten Digit Recognition**
Worked on MNIST dataset and applied Convolutional Neural Network to create a system which uses the image of a digit and recognizes the digit present in the image.

- **Credit Card Fraud Detection**
Tried to build an algorithm so that Credit card companies be able to recognize fraudulent credit card transactions and customers are not charged for items that they did not purchase.
